CHENEY COURT

CHENEY COURT

Cheney Court is Linguarama's Residential Executive Training Centre in England.

Cheney Court is a 17th century English manor house situated in a beautiful countryside approximately 6 miles from Bath in South West England.

It is easy to get to Cheney Court. From Heathrow Airport we estimate the transfer time to be no longer than 2 hours.

You find a warm and welcoming atmosphere in this ancient building together with a very modern Training Centre.

Cheney Court offers accommodation and training for a maximum 30 participants every week.

FOOD AND ACCOMMODATION

Each bedroom at Cheney Court is comfortable and has a bathroom *en suite*. All bedrooms have WiFi. Most of the bedrooms are situated in the annexes, just next to the main building.

In your course price you have full board from Sunday evening till Saturday morning. The cooking is of high standard at Cheney Court. Please let us know in advance should you have special dietary requests to make the best out of your stay.

SOCIAL ACTIVITIES

Throughout the course all the students are encouraged to continue extending the use of English through a wide range of evening activities organised by trainers at Cheney Court.

The activities include management games; communication activities; presentation from guest speakers; pub visits; and theatre trips. An optional excursion to Bath is also organised every Wednesday afternoon.

LEISURE

Cheney Court's location, amidst some of England's most beautiful countryside, provides the opportunity for charming walks and short drives, enjoying the unspoilt landscape, or visiting places of interest in the local area.

It is also possible to take part in a variety of sporting activities, such as tennis; football; jogging; and fitness training.

If you prefer to have activities in-doors you can play snooker; have a drink in our bar; or read a newspaper or talk to fellow students in Cheney Court's nice sitting areas.
